THE WHITE, SHADOWED

I was glad to see that another one of your readers was wrong about cutting up every good TV show you do! "The White, Shadowed" was the best thing I've seen written about the best show on TV. You got the personality of each character down right and Angelo Torres is especially to be commended for getting so many players "into the game"!

Jon Femster
Detroit, Mich.

Torres and Silverstone deserve the #1 rating in both polls for their hilarious slam-dunk of "The White, Shadowed."

Chuck Gill
Hannibal, Mo.

Your loving satire is high tribute to the developers and producers of "White Shadow." It was a truly discerning premise, their realization that a basketball coach is so much closer and involved with his players, say, than a football coach. And actor Ken Howard delivers an exasperated sensitivity, so unerringly!

Laurie Pevey
San Antonio, Texas

"The White, Shadowed" should have gone into double overtime!

Bill Layton
Centralia, Ill

It's quite a switch, starring as "Coach Raves" in MAD Magazine's "The White, Shadowed" and then taking the role of Father Damien (The Leper Priest) for an upcoming NBC movie. Actually, my appearance in MAD has made me so infamous, I'm thinking of disguising myself as a cleric when I return to Hollywood.

THE CALAMITYVILLE HORROR

I really loved Dick and Mort's "The Calamityville Horror"! I thought it was SUPER (Naturally)! But how did they know the daily routine in my house so perfectly? Anyway, Thanks to this piece of satire, I now have definite proof that there is life after MAD!

David Gherman
Beverly Hills, N.J.

I enjoyed your satire of "The Amityville Horror" but you guys screwed up the cover. Why didn't you put George Lutz looking into the fireplace, with Alfred E. Neuman grinning back at him?

Kim Walker
Jacksonville, Fla.

That would be too horrible—Ed.

THE CORNCORDE, AIRPLOT '79

"Corncorde" ran out of fuel on its "take-off"!

David Schupak
East Meadow, N.Y.

"Corncorde, Airplot '79" was a real crash landing!

Mike Pew
St. Louis, Mo.

DON'T BUY THIS ISSUE!

Could you please tell me what was in issue #214? I didn't get to buy one because the cover said, "DON'T BUY THIS ISSUE! Buy The One Underneath!" I looked under it and there wasn't one.

Mike Fabbri
Richardson, Texas

There was a Playboy underneath! Bo Derek doesn't look like ole Alfie at all.

James Werner
Sparks, Nevada

I ended up buying a "Woman's Day."

Fred McDougall
Duluth, Minn.

SYMBOL-MINDED

Your reluctant use of the ugly UPC symbol on your cover has been a blessing in disguise. The accompanying pages have all been winners; vengeful counterattacks on conformity!

Louis Valanzola
Bayonne, N.J.

ONE FINE DAY DOWNTOWN WHILE WATCHING A DOUBLE FEATURE

I loved Don Martin's "One Fine Day Downtown While Watching A Double Feature." I, too, marvel at the food consumed during a film, the enormity of the popcorn containers, the dripping hotdogs, the softdrink cups with straws sticking out, the stacks of candy bars, the expense involved. Sometimes, when I find an empty seat, I'm even able to put my feet on the floor without having to push aside empty containers, discarded wrappers, mustard-stained napkins and puddles of sticky liquid.

The Rev. Russell C. Block
Berkeley Heights, N.J.

Not to mention the loaves and fishes, Reverend—Ed.

THE APPLAUSE THAT REFRESHES

I guess it's strange to write about a MAD article from so far back, but I think you would like to know about this. In English Class, we were asked to do a forensics piece. I didn't have any idea what to do, but when going through some of my old MADs, I found the perfect forensics piece: "Who Killed The Country?" When I did the piece in class, I received an extremely long round of applause and an "A." My English grade this year will be important for my entry into college.

Bill Powers
Clintonville, WI.

MAD'S "NECROMANIA AGENT"

Harry North and Lou Silverstone did exhaustive spadework in their "MAD's 'Necromania Agent' Of The Year." It's as true as a deathbed confession, and funnier!

C. H. Ware
Pine Bluff, Ark.

THE JOGGER

"The Jogger" is the best collaboration ever by Davis and Jacobs. It's so good, I gave it to my sister who lives 1200 miles away.

Mrs. Beth Roberts
Belton, S.C.

Did you jog it over to your sister's?—Ed.

MAD LAWS

I loved your article "MAD Laws" but you forgot one. No matter where you stand around a campfire, the smoke will drift in your direction.

Meredith Kibbee
Los Angeles, Calif.

You omitted The Bargain-Hunter's 1st Invariable: No matter how early you arrive at a sale, they are out of the item you want!

Larry Weisberg
Harrisburg, Pa.

How about The Law of Selective Gravity: The probability of a piece of bread landing buttered-side down is in direct proportion to the cost of the rug.

Tim Pfeiffer
Pittsfield, Mass.

ANOTHER WASTE OF SPACE DEPT.

First, there was "Star Trek"—The (Wow!) Television Show! When it finally went off the air, millions of fans wrote the networks to put it back on! Well, the show didn't go back on, but the "repeats" did, and they've been shown hundreds of times. A "cult-following" formed . . . fan clubs were organized . . . conventions were held. In order to satisfy all the "Trekkies" around the world, there was only one thing that could be done: Charge them all \$4, \$5 or \$6 . . . and PROVE once and for all that a cheap old television episode re-run is a helluva lot better than a new multi-million dollar motion picture! We're talking about . . .

Sir, I've intercepted an alien force in quadrant T-4-093... headed toward Earth!

How come **your** TV monitor always picks up the **GOOD STUFF**? The only signal I ever intercept is **OLD TV RE-RUNS!**

Good to see you again, Admiral Curt! Your old ship, the "Boobyprize" has been totally refitted, remodeled and re-powered . . . and will be ready for a test run in 20 hours! Glad you could be here to see her off!

I'm **NOT** here to see her off, Spotty! I will be **ON** the "Boobyprize" as her—er—**Boss** . . . no, her **Landlord** . . . no, her **TOP WHATEVER-YOU-CALL-IT** . . . and she will **LEAVE** in exactly **10 HOURS!**

How can that be . . . ?!?

Because a cloud of unbelievable boredom is headed toward Earth at an incredible ho-hum speed, and we've got to intercept it before the audience falls asleep!

TEN HOURS!? That's a **TOUGH MISSION**, Admiral, but we'll sure give it a try!

MONITOR TWO

Gr. Tracker

But you **CAN'T** take over this ship! I've been with her every step of the way during her reconstruction! You don't know her! Everything has been changed around!

It doesn't matter! I'M taking over the **CENTER SEAT**!

Even **THAT'S** been changed! The center seat's now the one on the **LEFT**!!

I'm the **NEW CAPTAIN**, Drecker . . . **PERIOD!** The powers-that-be don't want some **AMATEUR IDIOT** risking this ship against impossible odds! They want a **PROFESSIONAL IDIOT** . . . and I'M that man!!

ATTENTION! COMMANDER SONAR AND HIS ASSISTANT NOW BEING TRANSPORTED UP!

NO!! NO!! Don't do it! We're not ready!!

We're losing their patterns! It's a terrible mistake!

No, its not! I see them!! It's Ernest Borgnine and Yvette Mimieux!!

THAT'S the MISTAKE!! They're in "The Black Hole" . . . !!
Lucky devils!

Well, we're going to have to replace **Commander Sonar**!

Then **YOU'LL** have to double as **Executive Officer AND Science Officer!**

So—you'll just have to **TRIPLE!** You'll be **Executive Officer, Science Officer, AND Intergalactic Janitor!**

There's no one else rated on our **new engines!**

And who's going to clean up this mess?

You are all here for a reason, and I'll give it to you straight! Er—let's see—there's this . . . uh—hmmmm . . . there's a . . .

Is it because there's an ominous cloud out there in space with a strange and unbelievable killing force, and it's heading directly for Earth . . . ??

Exactly! I'm glad to see that none of you flinched when I told you the truth straight out!

EMERGENCY!! VISUAL IS ON MONITORS . . .

Why, that's **Epsomsalts Six**, our Outpost Space Station! It's being struck by lightning, and it's **VANISHING!!**

Whatever that mysterious lightning is, it must suck the glue out of "model" space stations, and make them disappear! That settles it! We blast off **NORTH** in forty-five minutes!

But that mysterious force is **due SOUTH!**

See!! I **DO** know what I'm doing!!

Captain, look! The transporter is working again! See? They've beamed us up a new Navigator!

You say the transporter is working again! Where the hell is her **HAIR!!**

With that bald dome, lady, I wouldn't sweat it! The only thing that may attack you on this ship is a **BOWLING BALL!!**

Here comes the final member of the crew!!

DOCTOR BECOY!!

How good to see you! I NEVER thought YOU'D volunteer again!

ME!! VOLUNTEER?
Some @@\$%&%% put a "pay phone" sign on the transporter . . . and when I stepped inside to make a phone call, I was **BEAMED** here!

Attention! Prepare for immediate departure! Spotty, I want "warp one" speed!

Captain, we've never run these engines before! Only someone with a "warped brain" would order "warp speed" with new engines!

Warp one, and NOW!!!

Wow! Look at all those magnificent colors! So this is what warp speed is like!

Warp speed, nothing! We didn't have time to stow away any of the **PAINT CANS!!** That's **PAINT** you see . . . spilling all over everywhere . . .!

Captain! We have negative control from inertial lag . . .

Navigational deflectors inoperative! Subspace frequencies jammed and ineffective!

Engines coming loose from pylons! Emergency!! Captain . . . what are you going to do?

Y'know, Dreckler! I've been thinking about how **WRONG** I was to rush into command of this ship! **YOU** know it better than I, so **TAKE CHARGE** for now!

EMERGENCY! EMERGENCY! IMMINENT DANGER! SHIP ON COLLISION COURSE WITH ALIEN ASTEROID . . .!

Here! **YOU** take the Captain's chair! Let me just release my seat belt!

WAIT, Sir! That's not the seat belt release!! That's the "**TORPEDO FIRE**" button you just pushed!!

Captain Curt!! **YOU DID IT!!** That torpedo you fired **DESTROYED THE ASTEROID!!**

It did?

I mean, **OF COURSE IT DID!!**

Captain Curt, may I speak freely, to make you look like the schmuck you really are . . . ?

Permission granted!

Permission **GRANTED!!** Boy, you **ARE** a schmuck! I rest my case!

Captain, another member of the crew is beaming aboard . . .

SPOOK!! It's you! I can hardly believe my eyes!

I can **ALSO** hardly believe your **EARS!!** They seem bigger than ever!!

What brings you back to the **Boobyprize**, Spook?

On **Vulgar**, I began sensing a consciousness from a source more **powerful** than I've ever encountered, thought patterns of an **exactly perfect order!** I believe it emanates from the intruder you seek! It may hold an answer to my subconscious turmoil! Also . . .

I missed all the great broads on this ship!

You won't have any more trouble with engine imbalance, Captain! I made a subtle change that corrected it! Instead of having all four engines on one side of the ship, I put two on each side!!

What an advanced mind you have, Spock!

Captain, I believe we're being radiated!

Is it possible that the friendship signals we're sending out are being interpreted as acts of hostility?

Yes, that seems to happen with every foreign power the U.S. tries to help!

By the Gods of Vulgar, they're sending out an energy of the twelfth power!

Is that a lot?

A LOT!! Let's see—why, that's precisely TWICE the energy of the SIXTH power!

What a mind . . . !
What a mind . . . !

Captain, the intruder has been attempting to communicate with us! I think I've broken their code! They're calling us "collect"! Will you accept the charges??

I'll—I'll have to think about that!

Shield protection fading . . . external power increasing!!

Okay!! Okay!! We'll accept the charges!! But ONLY for THREE MINUTES!!!

Look at that! A vessel so large, it's taken complete control of our ship!!

Thank God **SOMEONE** has finally taken complete control of our ship!!

I estimate its striking power at seventy billion megawatts ampere-volts or more!

Uh—I say, let's not fool with it!

Boy, it's just one brilliant tactical decision after another with you, isn't it, Captain!

INTRUDER ALERT!! INTRUDER ALERT!!

Y'know, we should get rid of that **SPEAKER SYSTEM!** It only seems to bring **BAD NEWS!**

It's a bolt of that high-energy lightning! And . . . **LOOK!** It's taking **LEER** away!! Someone **STOP IT!** We've got a **HEAVY DATE** planned for this evening! **leer . . . try to be back by TEN P.M., will ya?!**

First, engine failure! Then **leer** is taken! What's next?

CAPTAIN . . . we're being seized by a TRACTOR BEAM!!

I didn't want an **ANSWER, Spock!!** Can't I ask a rhetorical question that doesn't have a disaster for an answer???

The alien vessel is pulling us inside itself! But, WHY? Certainly, if it wanted to DESTROY us, it could have destroyed us OUTSIDE itself, right?

Perhaps it didn't want to litter the universe!

**EMERGENCY!
INTRUDER
ALERT!**

Will someone tear that @ # speaker off the wall?!

Look! It's ILEER!! She's back and she's wearing a strange bathrobe!

I know! She vanished so she could slip into something more comfortable!

I have been programmed-by-V'ger-to study the carbon-based units that infest the U.S.S.-Boobyprize! It was my luck-to draw the short-end-of-the stick...

She—she's some kind of ROBOT!!

At least SHE has an EXCUSE for her acting! What's YOURS?

Who is "V'ger"?

And who is the Creator?

Ask her if she ever worked in WASHINGTON! She talks just like a typical POLITICIAN!

V'ger-is-the-Creator!

The-Creator-is-V'ger!

Ileer has been programmed to respond to her former thought patterns! Perhaps her affection for Drecker will still be present in her programming, and he can learn something about this "V'ger" from her...

It's a wild way-out 23rd Century idea, but it may just work!

Yeah!! Yeah!!

Is Mr. Drecker having any success, Captain?

He's using audio-visual manipulation!

Yeah... he's whispering in her ear, and undressing her at the same time!

Evidently Drecker couldn't hold her attention... or any part of her anatomy! She just came out of his chamber without opening his door...

Maybe we could arrange a date for her with the Incredible Hulk! They seem to have more in common!

Spook, why are you out here?

I came out here to seek some answers, Captain?

So did I! And here are the questions: Did you SIGN for that thruster suit? When are you going to RETURN it? Did you leave a DEPOSIT?

You-have-asked-to-meet-with "V'ger"—and this-is-V'ger! Now-you-must-give-V'ger-the-Creator!

Wait! This sign...!! It doesn't say "V'ger"! See? When I brush away the dirt, it says "VOYAGER VI"!

Interesting! We are looking at the products of what is probably the universe's most intelligent species... and it doesn't even know how to dust!

Voyager VII! It was sent out from Earth with a mission... "Learn all that is learnable... store all that is storable... collect all that is collectable... merchandise all that is merchandiseable!"

Obviously, when Voyager VI disappeared from our side of the galaxy, it crashed on a "machine" planet which followed the orders we'd programmed into it! And this is the results! Iler, WE created "V'ger"! Therefore, WE are YOUR CREATOR!!

Statement—rejected!! Earth—carbon—units—create—wars—energy—shortages—political—rip-offs—inflation—depression—riots—hunger—and—misery!! No—there—must—be—a—HIGHER—POWER!!

Curt-unit-listen-to-me! I-and-the-entire-audience-are-growing-restless! You-must-transmit-all-information-on-the-Creator-to-V'ger-immediately! V'ger-is-impatient!!

If you ask me... the way to deal with "V'ger" is to treat it LIKE A BABY!!

And-if-V'ger-does-not-get-the-information—it-will-destroy-the-Earth-with-missiles!

That is, treat it like the universe's MOST POWERFUL BABY!!

I have the information V'ger wants!! It-is-too-late!

And I also have seven boxes of lollipops and two pounds of fudge!

That-is-better! At-last-you-are-taking-V'ger-seriously!

Let ME give V'ger the information by uniting with it, Captain!

But you don't know what it will DO to you, Drecker!

Yeah, but what a way to GO!!

Drecker-was-always-into-cheap-thrills!

Spook... did we just witness the beginning of a brand new LIFE FORM??

No, Captain... we just witnessed the birth of a brand new Motion Picture ART Form, where the SPECIAL EFFECTS are ten times MORE INTERESTING than the people, the plot and the dialogue!

What's nurg with SALT? It's smung with graft!

You've got a Newsletter from your Graduating Class! It tells how successful all your classmates are! They want to know how YOU'RE doing!

I'll write them with pleasure!

I'll tell them how I'm an Executive of a large Corporation with branch offices all over the world, and how I live in a 20-room mansion in the country, and how I own a Rolls Royce, and how the Republican Party wants to run me for the Legislature ...

But none of those things are true! You're NOT as successful as they are!!

I'm AS successful ... if not better!

I can THROW THE BULL as well as the next guy!

G IN TOUCH

ARTIST & WRITER:
DAVE BERG

So—tell me about your trip ...!

I DID!! I wrote you a Post Card every day from every place I went!

I didn't get any Post Cards!

Well, you know how the mail is! I always get back home before the Post Cards do!

So ... why do you bother to WRITE them?

Why does ANYBODY bother to write Post Cards ...?!

To let you know I'm ALL RIGHT!!

But he promised to call us the minute he got there!!

That doesn't mean you have to panic and call every police station and hospital along his route! There are many reasons why he could be delayed this late!

Don't question a Mother's intuition! Something terrible has happened, and he can't call! I know it!

Calm down! There's the phone now...

Hi, Mom! I got here hours ago, but something terrible happened, and I couldn't tell you!

I KNEW it! I KNEW it!! What HAPPENED? WHAT?!

Your line has been continuously busy for two hours!

Oh-oh! I haven't called my Mother in some time!

So don't be a bum! Call her!

Okay, but I'm gonna be stuck listening to her complaints for the next half-hour or so!

Hello! This is Molly Finster! I'm not at home right now! At the tone, leave your name and number and I'll get back to you!

Thank God!! It's her ANSWERING MACHINE! Now I won't have to listen to her complaints!

And if this should happen to be one of my children calling, let me tell you—my arthritis is acting up something awful—and my back is killing me—and my migraine headaches shouldn't happen to a dog—but a lot you care that I'm not long for this world...

Here's your mail, Mr. Geek! There sure is a lot of it!

There usually is...

And all from important people and places! Senators... the Governor... Universities... Scientific Institutions... Hospitals... etc... etc...

Wow! I'm very impressed!

You should be! When you're a successful businessman like me, and you mingle with the mighty, they keep in touch!

Gez, that's really something! What do they want?

Donations!

Wow! Your desk looks like the control panel of a Space Ship!

My Boss insists on having the latest electronic office intercom equipment!

I'll bet when he wants you—you KNOW it!!

I'll say!! He comes through loud and clear!

GLORIA...COME IN HERE! I NEED YOU!

I'm really glad we were invited to my Cousins Club Meeting! I haven't seen my family in years!

When I was a kid, I was a real schnook! My family always used to put me down... and call me names... and say I was a loser! And I would say to myself... "Someday, I'll show them all!"

Well, it's time to show them all! The best revenge is success... and I've become rich and famous! Why, they'll all probably want my autograph!

Look who's here!

Hey, STINKY! You haven't changed a bit!

Whatever became of you?!

I was annoyed at the Utility Company, so I called them up to make a mild complaint...

So, what happens?! They put me on "HOLD"! Now, I'm REALLY FURIOUS!!

What's the matter? Can't you have a little patience?!!?

Patience—I've got PLENTY of!

PIPED-IN MUSIC—I CAN'T STAND!!

Holy Cow! It just occurred to me! We forgot to send a Christmas Card to the Brownies! They'll be offended!!

I'd better send one right away! Do we have any left?

Nopel

I could run down to the store! Do you suppose THEY have any left!

I doubt it!

Not in April!

What in heck is that sound I hear?

It's my "Beeper"! We Doctors carry them around! When there's an EMERGENCY, the Hospital sends me a signal, and I check with them by phone!

Hello, this is Dr. Freen!

Dr. Putzie, Dr. Spleen and Dr. Ventricle are playing golf, and they have an EMERGENCY!

And they want ME to COVER for them? Boy, what NERVE!!

No... it isn't that...

Dr. Glitcher couldn't make it this morning, and they need you for a FOURSOME!

Wow! Look at this beautiful box of personalized stationery Aunt Harriet sent me for my birthday! It has my name embossed, and everything! It must have cost a fortune!

I can't wait to use it! But with stationery like this, it has to be for something important! Now, who can I write to?

You COULD write to your Aunt Harriet... and thank her for her lovely gift!

WHAT! And WASTE IT on a lousy "Thank You" note?!

By now, you've all seen this season's new TV shows, and you're all convinced the TV Industry has hit bottom, right? Wrong!! Because guess what's coming to the tube! The U.S. Congress! Soon, the Networks are going to start televising our Law Makers in action. Anyone who's ever visited Washington and sat through a dreary session of Congress knows that this new program is in serious trouble! How can our Legislators compete with blockbusters like "Laverne & Shirley" or "Three's Company"?! We think we've got an idea that may help! Mainly . . .

MAD'S PLAN

TO MAKE THE CO TV SHOW MORE

ARTIST: JACK DAVIS

CONGRESSIONAL ENTERTAINING

WRITER: LOU SILVERSTONE

On your mark . . . get set . . . for TV's fun-filled "ALL-STAR CONGRESSIONAL EVERYTHING GOES"! Today, we've got a team from the United States Senate ready to face off with a team from the House of Representatives!

As you know, both Houses of Congress each passed legislation recently, giving themselves fat salary increases! Which ever side wins today's competition will have its version of the bill enacted into law! So stay tuned for the riotous fun, folks!

We're Number One!

We'll murder the bums!

The first event is the "Blindfolded Paper-Shredder Race"! Each of our competitors is blindfolded! He then has to hide incriminating documents somewhere on his person, crawl across a greased pole suspended over water, and put the documents into a paper-shredder! And just to add a little excitement, we're using material from the personal FBI file on each contestant! So there's your incentive, guys! Now, do a good job!

This is Howard Cooslell . . . welcoming you to "MONDAY NIGHT POLITICS"! Tonight's confrontation over the Energy Bill looks like another classic battle between these traditional rivals, the GOP Pachyderms and the Democratic Mules!

Back home, we call 'em "Elephants" and "Jackasses." H'ward!

I'll go along with that, Howard!

Today, I had lunch with the GOP Whip, the Senator from the Badger State, Wisconsin, which, as you all know, is in the tough Big Ten! I put it to him that rumor has it that the Republicans, the party of Lincoln, is going to spring a filibuster!

What's a filly buster, H'ard? Somebody gonna ride a Bronco?

No, a filibuster is when a member of a deliberative body obstructs its action by use of dilatory tactics, such as speaking to consume time!

Hi, folks . . . and welcome to Washington's favorite pastime . . . "SCREW THE TAXPAYERS"!!

And here's your host, Wink Porkbarrel!

Hey, gang! And what are WE gonna do?!!

SCREW THE TAXPAYER!!

The rules of our game are simple! Even a child, or a Congressman can understand them! I pick a Representative from each side of the aisle to compete for our Grand Prize! And today's Grand Prize is . . . A 26 MILLION DOLLAR DAM . . . whether the winner's State needs one . . . or not!

Me! ME! Pick ME!!

MY State doesn't have a dam! Pick ME!

His State doesn't have a RIVER!! Pick ME!!

Okay, I pick you, Mr. Big Bird! And you, Mr. Outhouse!

And we have a **WINNER!** The team from the U.S. Senate!

It was a tough fight, and even though we Representatives lost, we still feel like winners because of the private agreement we made with the Senators before the contest!

That's right! We all felt it would be insane to risk losing a big fat pay hike because of a stupid game! So we promised the winners would add an amendment to their bill giving an equal pay increase to the losers!

Besides! There's plenty more where **THAT** came from!

Sorry we can only choose two to play, but we have some consolation prizes for the rest of you! First, everybody gets a \$57,000 salary, a \$7000 personal expense account, and 33 all-expenses-paid round trips to your Home States! You also get \$2250 for incidentals and a free suitcase, a \$6650 stationery allowance, plus unlimited free mailings plus \$5000, unlimited free phone calls and free Medicare and drugs!

Okay! You also get \$225,144 to hire a staff... plus free office space... \$27,000 for furniture... cut-rate Life Insurance... free flowers from the Botanical Gardens... and \$2.00 haircuts!

More! More! We want MORE!

We seem to be running out of time, so the Home States of BOTH of our lucky contestants get a 26 million dollar dam! Because we're playing Washington's favorite game where everyone wins except—you know who!! Let's hear it! The name of the game is...

SCREW... THE... TAXPAYER!!!

GRINDING THE AXIOM DEPT.

Have you ever wondered why it rains every time you wash your car? Are you puzzled why the warranty on your TV runs out the day before your picture tube blows? The answer is obvious! Most High School yearbooks feature a handful of sharp kids: The Best Looking, The Most Popular, The Best Dressed, and like that. But these smartass kids make up only a small percentage of the average graduating class. We feel that the rest of the students (like the clods on the MAD staff when they were in school) deserve some recognition, too. Mainly . . . we'd like to see a yearbook that truly reflects the nature of today's graduating classes. Here, then, is

A HIGH SCHOOL YEARBOOK FOR AVERAGE CLODS

ARTIST: GEORGE WOODBRIDGE

WRITER: LOU SILVERSTONE

Millard Fillmore was the 13th President of the United States, but he will always be Number 1 in our book. Because he serves as an inspiration for the mediocrity that anyone of us can achieve if we really put our questionable minds to it. He was the first President not to be renominated by his Party. His most remembered achievement was the installation of the first bathtub in the White House (although it was rumored at the time that he'd thought it was an ostentatious urinal). In 1865, he ran for the Presidency as the candidate of the "Know-Nothing Party" and was soundly defeated.

We are proud to have our school named after such an unmemorable American.

DEDICATION

We, the Class of '79, dedicate this book to Gus "Grumpy" Zucchini, the School Custodian. Gus is the only person from any department of the school that does anything that the Class of '79 can relate to!

We love yuh, Gus!

CLUBS AND ACTIVITIES

THE NON-JOINERS CLUB

One of the most exclusive groups on campus, not one of the members of the Non-Joiners Club belonged to any other club or organization in their four years at good old Fillmore.

THE NO-SHOW PEP AND DRAMA GROUP

The fun-loving kids of this organization have the Fillmore spirit. They have never attended or participated in a Pep Rally, a School Dance or a School Play. Which is why they never even bothered to show up for this group photograph.

THE NON-LETTER TEAM

None of the jocks on this team ever went out for a Varsity or Intramural Sport, nor did any of them ever go to a game.

THE FILLMORE APOLITICAL CLUB

None of the great guys and gals in this club ever ran for Student Council or for any position in Student Government, nor has any of them ever voted in a School Election. Club has no Officers . . . because nobody would run for anything!

THE GYM SHOWER TEAM

The members of this team have established a school record that's going to be tough to beat in years to come. They all took showers every day after Gym in their Senior year! In fact, many of them took showers instead of taking Gym!

THE GIRLS' NON-LETTER TEAM

The members of this team proved to be just as uninterested in School Sports as the boys. So score one for Women's Lib!

In the early days of television, there were two popular situation comedies. One featured a wise-cracking child named "Dennis The Menace," who always outwitted his bumbling parents, and the other featured a wise-cracking maid named "Hazel," who always outwitted her bumbling employer. Well, TV has come a long way since audiences were amused by those crude attempts at humor. This year, one of the top new comedies features a wise-cracking child and a wise-cracking butler who are always outwitting the bumbling Governor of an entire State. WRITER: TOM KOCH

How could anything like HIM be elected Governor???

Easy! We told the voters he had **PRESIDENTIAL QUALITIES!** That meant he grins like Jimmy Carter, stumbles like Jerry Ford and sweats a lot like Richard Nixon!

Hi! I'm Kutie . . . the Governor's precocious 8-year-old child! I've got a bigger vocabulary than Howard Cosell and a higher I.Q. than Albert Einstein!

But—but it's virtually impossible for a moron like him to have a daughter who's a **GENIUS!**

Interesting you should think of that! Our Producers and Writers never did!

These are your household duties for tomorrow, Benson! In the morning, you write the Governor's speech to the Legislature! In the afternoon, you help him settle the Firemen's strike! And in the evening, you take him to "Parents' Night" at Kutie's school . . . !

But when do I dust his office and iron his clothes?

I really don't care! How you arrange your **TIME OFF** is **YOUR** business!

Just be sure you remember "Parents' Night"! It's—it's vitally important!

Oh . . . ? How come?

Because fitting the Governor's schedule is the only exciting thing that ever happens on this show! Without that, we'd be as dull as "Eight Is Enough" . . . only with a lot fewer smart aleck kids!

The door-bell! I'll get it!

Isn't the Butler supposed to answer the door?

Yes, but we always let the Governor do it! It makes him feel useful!

Is ziss zee flunky you hired vitout gettink my hokay first?!

Benson . . . meet Miss Krauseheimer! She's been our Staff Cook for many many years!

How many years?!

Since 1945! I remember because she showed up wearing a blonde wig and a little black mustache the very day Hitler disappeared!

Hello? No, Warden! The Governor **CAN'T** take any calls tomorrow night from men begging for last minute reprieves! He's going to a special program at Kutie's school! I'm sure all the guys on Death Row will understand!

Kutie's problems always become real tear-jerkers when we point out that she's a motherless child, and I'm all she has!

How come we never mention what happened to your wife? Is she dead?

No, she ran off with another man! She said he was a more interesting person than me!

That description would fit anybody in this State!!

Go to bed before you wake up zee whole house!! Churst look vot TIME it iss ...!

I can't! Your face just stopped the clock!

With HER looks, she could stop a sun dial!

Notice her neat appearance! Not a wrinkle out of place!

I tried to send her to a BEAUTY PARLOR ... but they refused to take her case ...!

That's a good one! Got any more ugly jokes?

No! That's about it for now!

Then, let's turn in and plan to meet here again tomorrow!

What's with her...??

She's threatening to hold her breath till she explodes because we still haven't promised to go to "Parents' Night" this evening!

Big deal! The Sheikh's threatening to make the whole world explode if we don't entertain him tonight!

Well, Kutie says he'd never get away with that bluff if Winston Churchill were still in charge instead of you!!

Oh, yeah...? Well, I'm not in charge! Your FATHER is supposed to make the big decisions around here!

Don't SAY that!! You'll scare the child to death!!

We'd better do as the Sheikh wants and hold that Reception tonight!

To avoid risking the loss of half the people on Earth??

No, to avoid risking the loss of half the people in our audience! They only tune in to see Kutie become even more adorable as she bravely accepts disappointments week after week!

Ze Sheikh of Rajput sent zis over as a good vill gift for ze Governor!!

It could be a trick! Did you tell the Chief of Security to rush over here with a metal detector?

No, vit a big shovel and a bucket!! Only a dumbkopf like YOU would try to clean up after an elephant with a metal detector!!

He's nifty! Can Daddy and I take him with us to "Parents' Night"?

I know this will break your heart, Kutie, but your Father can't go!

Okay... then I'll just take the elephant! It'll be nice having somebody smarter than DADDY to talk to!

Well... so much for the tearful scene where you bravely accept disappointment!

Morning, Bentson!
Nice elephant you've got there!

Governor, we're up to that weekly segment where you're supposed to show the audience that you're not only stupid, you're absent-minded as well! So never mind the elephant!

What elephant . . . ?

That's much better!

Zee Sheikh iss due any time now! It iss gudt you could help us vit zee last minute preparations, Governor!

Oh, I enjoy keeping busy! Have you noticed how being a Governor never seems to take up any of my time?! I wonder WHICH State this is supposed to be?!

I sure hope it's not in the SOUTH!

With my big mouth, I could be in real big trouble!

Hey, Man! Call off these jivin' dogs! I'm the Sheikh's Prime Minister. . . !

Sorry, Brother! Krauseheimer has trained them to hate all of us NON-ARYANS! You're lucky you don't look JEWISH!

DOWN, Schnappsiel!

DOWN, Schlitzel!

Those five turkey mutts better watch who they're messin' with!

You don't look like an Arab to me . . . !

I'm NOT! The Sheikh is an Equal Opportunity Employer . . . especially now that all the REAL Arabs own oil wells . . . and WON'T DO windows, or Prime-Ministering!!

Governor . . . the Sheikh's waiting for you in the Reception Hall! Move your tail up there before I get teed off!

Uudt vipe zat silly shmile off your face! Do you vant zee Sheikh to think vee work for an IDIOT!?

That's not the WORST thing he'll think if you don't take off that frilly apron! C'mon . . . shape up, Man!

It's lucky I'm a powerful and respected Chief of State! Otherwise, you people might REALLY treat me rotten!

His Excellency . . . the Sheikh of Rajput!

Hil Are you the guy who's threatening to do all those terrible things to us if I don't act nice?

I guess so! Are you the guy who runs this whole big place?

I guess so! You want some punch? It's grape!

I guess so! I like ORANGE the best, but grape is okay, I guess!

They seem to be getting along nicely together!

Yeah, but your boss sure seems to be an awful need to be a Sheikh! How'd he get the job?

He inherited it from his Father! What's YOUR man's excuse?

He's just ABC's idea of the typical American male! First, it was Lenny and Squigly! Then it was Mr. Roper! And now, it's a dim-witted Governor!!

We're going to my office to play! The Sheikh wants to see my special phone with all the buttons I can push to make bureaucrats come when I want them ...

And I get to mess with his Xerox, too! Boy, I haven't seen so much neat stuff in one place since my Son's school held "Parents' Night"!

PARENTS' NIGHT!

Isn't this working out nicely! I phoned the teacher and said we'd be bringing a distinguished foreign visitor with us!

But you told me nobody could go to Parents' Night because the fat guy in the bed sheet would get real sore and—

Er—the child was just telling us how she and her little friends have worked for weeks, planning this event in your honor! It's a touching tribute indeed, and—

Clam up and let's go, Trailer! This kid's got sharp teeth!!

I made this pot-holder out of an old rubber sheet that Daddy used when he was still a bed-wetter!!

Neat-ol At Parents' Night in my Country, the kids just make little displays by piling their gold bars on their desks!

It's great ... sharing moments like this with loved ones! If you'd come from a big family, you'd understand ...

Oh, I came from a REAL BIG family! In fact, I went to work for YOU just so I'd GET AWAY from them! But they're still around! Look!

I can't believe I've come to a Parents' Night for a VENTRIL-QUIST'S DUMMY! This is the craziest thing we've done yet!

Shhhh! It's just a cameo appearance to help Benton!

Yoo-hoo! Benton! We're here!!
